BOTTOM LINE UP FRONT

The six awards below are REAL rows from the GeBIZ awards feed (data.gov.sg, read September 2026). One dominates: a S\$22.8m ITE term contract to UEMS. The other five run S\$168k–S\$846k — the subcontractor band, where a cleaning SME chases the WINNER, not the agency.

Method, honestly stated

The bulk feed refreshes roughly yearly, so the desk hand-fills recent months from the GeBIZ award search at each monthly check — the rows above include hand-filled months. First check seeds the baseline silently; only genuinely new tender numbers alert. Price bands come from priced rows only. This wire spots wins; your BD closes them. Cancel anytime. Research, not advice.
